Service call and labour fees must be paid prior to scheduling if the issue is determined to be non-warrantable after inspection.

Terms and Conditions

Scope of Coverage

Fenestration Services provides a limited warranty covering defects in supplied materials and workmanship. Hardware components are covered as per the original manufacturer's warranty. Labour is warranted for a period of **Two Years** from the date the work is completed. After this period, only material costs covered by the manufacturer's warranty remain in effect; any associated labour or service time will be chargeable.

Warranty Period & Validity

The warranty begins on the date of service completion and remains valid only within the limits described in this document. If the client fails to complete payment for any reason, the warranty will be considered void.

Proper use

Warranty coverage applies only when products are handled, used, and maintained correctly in accordance with manufacturer instructions and our guidelines provided. Any damage caused by neglect, misuse, physical impact, or environmental exposure such as hail, condensation, ice build-up, movement of the structure, or stones and gravel carried by wind will void this warranty.

Warranty Claim

Warranty claims must be submitted online through the customer's account and must be accompanied by proof of purchase or a service record. Additional photos or documentation may be requested to verify the issue. Approval for repair or replacement

does not reset or extend the original warranty period. **Fenestration Services** may require the return or inspection of the affected part before proceeding with any warranty service.

Warranty Transferability

This warranty applies only to the original installation address and is non-transferable. Coverage will not extend to subsequent property owners or different project locations.

Warranty Limitation

This warranty does not cover damage caused by acts of nature, accident, fire, flood, vandalism, building movement, settlement, or exposure to harmful chemicals. Normal wear, discoloration, corrosion, and sealant degradation over time are considered maintenance issues and are not covered under this warranty.

Client Responsibility

The client is responsible for providing access to the installation area and ensuring that the product is properly maintained in accordance with care instructions provided by Fenestration Express Maintenance.

Governing Law

This warranty shall be governed by and interpreted in accordance with the laws of the Province of Alberta. Any disputes arising under or in connection with this warranty shall be subject to the exclusive jurisdiction of the courts of Alberta.
